Rapid Everest base camp trek - 10 Days

Rapid Everest Base Camp trek is a **thrilling and most rewarding** trip for the trekkers, who have limited time but looking to experience Everest both from the land and the air. It can accomplish your long-awaited dreams of experiencing the Everest Base Camp and its surrounding area. The trek takes you through the beautiful valleys of **Khumbu**, and the village of the Sherpa people and observe Tibetan culture and Buddhism. Moreover, impressive views of the mountains, diversity of nature and natural resources, and cultural context enhance lure to this **Everest trek**.

Additionally, religious objects like Mani stones, chortens, and prayers flags are use for decorating the **trek route**, which makes the trails luring. Along the way, you will visit the world's oldest **Tengboche Monastery** which is believed that taking part in the ritual ceremony make you pure and get rid of all the evildoer activities.

It offers incredible views of the **Dudhkoshi river** valleys and foot of Khumbu Himalayas including **Lhotse, Mt. Everest, Makalu** and other numerous Himalayas vistas. You will pass through **sagarmatha national park**, UNESCO world heritage site, which is home to diverse flora and fauna.
